

Working safely in a Class II Biological Safety Cabinet

This DVD is intended as an introductory training aid for laboratory scientists in the safe use of Class II Biological Safety Cabinets. It is based on Australian/ New Zealand Standard "AS/NZS 2647 Biological Safety Cabinets – installation and use".

The DVD is in four parts:

- Part 1: Types of cabinets and their proper location
- Part 2: Using the Class II cabinet
- Part 3: Decontamination and testing of cabinets
- Part 4: Summary

The DVD can be accessed at: www.vidrl.org.au
Alternatively a hard copy can be requested from
VIDRL@mh.org.au

With thanks to everyone who participated in this DVD
